

REMARKS

The Office Action Summary lists claim 95, 597-599, 601-612, 614-620, 623-639, and 674 as being allowed. This appears to be the result of a typographical error. Applicants believe the list of allowed claims to be the same as the list of currently pending claims, i.e., claims 597-599, 601-612, 614-620, 623-639, and 674-695.

The original patent is enclosed herewith.

Applicants also note that there is a typographical error on the Filing Receipt (copy enclosed). The correct title is: "Nanocrystalline Apatites and Composites, Prostheses Incorporating Them, and Method for Their Production." The word "Prostheses" was misspelled as "Prosthesis." It is believed, based on a prior conversation between the undersigned and the Examiner, that this error has been corrected. The Applicants respectfully request confirmation.

CONCLUSION

A Notice of Allowance is respectfully requested. The Examiner is requested to call the undersigned at the telephone number listed below if this communication does not place the case in condition for allowance.

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicant hereby requests any necessary extension of time.
